To Whom It May Concern:

I have inspected the company Chef Jay's Food Products and I find that all ingredients that they are using in their cookies, bars and brownies are under the supervision of the Kosher Organizations of the United States.

I have to make note that all products dairy and CALOV AKOM and PAT AKOM are free from animal fat except the dairy products.

THIS CERTIFICATE IS VALID FOR 1 YEAR (UNTIL NOVEMBER 27, 2010) according to the contract between me and Chef Jay's Food Products. All products may carry the special symbol as shown above in the Hebrew or in English under my permission and after this time it is not allowed anymore to use this certificate or any symbol that is under my name even though the product has been certified before. These products are not to be used during the PESACH.

Sincerely yours,

Benjamin Frauwirth
