After cooking for the hotels of Las Vegas, I bought a little muffin shop and started to provide the health clubs of Las Vegas with healthy style bakery goods. One item was a health bar made of oats, raisins and honey. Soon I started getting calls from people outside the Las Vegas area who wanted me to ship them my "delicious bars". I have since devoted my life to producing the best tasting, healthiest products available. I still make them myself (with some help from my team) in the heart of Las Vegas, although I have since moved out of that 700 sq ft muffin shop and into that dream kitchen I have always wanted. I hope you enjoy eating them as much as I enjoy making them.
