About Chef Jay's Food Products

Chef Jay's, created by Chef Jay Littmann, is a manufacturer and distributor of Tri-O-Plex protein bars, cookies, gourmet brownies and other protein-packed products. The company's products are great tasting, high protein products specifically designed for healthy, active lifestyles. Chef Jay's manufactures its products in-house at a state-of-the-art facility in Las Vegas, Nevada. The company distributes its products through its international network of distributors and direct to retail and other customers primarily in the healthy lifestyle and fitness community. Chef Jay's Food Products can be found at a variety of health food and nutrition stores both overseas and the United States including (but not limited to) Vitamin Shoppe, GNC, Bally's and Nutrition Express. To purchase or learn more about the wide array of Chef Jay's products visit www.chefjays.com.
